FROM THE PRINCIPAL

EMERGENCY RESPONSE PLAN

Schools are expected to have an Emergency Response Plan which details how we will prepare for and respond to a disaster or emergency situation. This includes weather, geological, biological or human events that pose risks to life, property or the environment. The Emergency Response Plan applies to all staff, students, visitors, contractors and volunteers at Robina State School.

The main general response strategies which are most likely to need to be implemented singularly or jointly, are:

1. Evacuation;
2. Lockdown;
3. Temporary Closure.

Quarterly reviews of Evacuation and Lockdown are held to ensure all staff and students are aware of the procedures. Be aware that in coming weeks we will conduct an Evacuation and a Lockdown. If your child shares these events with you can you place the concept of being prepared for an event in context for them.

UPDATED CONTACTS

Can you ensure that your personal contact details are up to date. The following are worthwhile checking:

1. Emergency contacts
2. Mobile phone number for contact as well as SMS for absence text
3. Email address for report cards and general school information.

SEMESTER 1 REPORTING

Semester academic reports are emailed out. If you require a paper copy complete the attached request and forward to the school office.

ROAD SAFETY

Safe behaviour near car parks and roads has been a focus of our Positive Behaviour for Learning assemblies. The focus for PBL is always, to get it right by explicitly teaching the expected behaviour. The expected behaviour is that roads and car parks are not playgrounds. That roads should be crossed using crossing where possible otherwise practice safe behaviour by looking to the right, looking to the left, looking to the right again, listening and thinking before crossing.

Remember that there is NO ENTRY to the Killarney Avenue car park between 2:30 and 3:30pm. Driving through this car park places our students at risk.

A very big thank you to Peter S for all of his help and support, ensuring that communication has flowed onto all parents in the class.

Please contact me on mfrew11@eq.edu.au if you are interested in becoming a CPR for 3C or would like to find out more about what the role entails.

HAPPY MOTHER'S DAY TO ALL THE WONDERFUL MUMS AT RSS

I hope when Sunday comes you enjoy the lovely gifts that your children have purchased from our Mother's Day Stall.
