FOR THE STUDENT:

As a student of Robina State School I understand and will abide by the rules and conditions as set out in the School Computer Use Agreement. I also understand that if I break any of these rules and conditions that there will be consequences including loss of network privileges and discipline in accordance with the school policy of behaviour.

FOR THE PARENT OR GUARDIAN:

As a parent or guardian of this student I have read the School Computer Use Agreement. I understand that the technology resources at Robina State School are for educational purposes and that failure to comply with the conditions as set out in the agreement will lead to loss of privileges by my child.

I also understand that it is impossible for the school to fully restrict access. Our school has safeguards to limit access to inappropriate materials on the Internet. I understand that while the school will take measures to limit access to illegal, offensive and inappropriate material, it is my child’s responsibility not to initiate access to this material and to report any accidental access to such material immediately.

I understand that at times my child’s art work, writing, project or photograph may be published on the world wide web which is part of the Internet. This work will appear with a copyright notice prohibiting the copying of any work without permission.

Personal details such as student’s last name, home address, e-mail or phone number will not be attached.

Please indicate whether permission is given for any of the following to be published on the Internet.

ROBINA STATE SCHOOL

COMPUTER USE AGREEMENT

I understand that:

• All computers and other information technology resources at Robina State School are intended to enhance learning and teaching.

• It is not possible for the school to screen or filter out all material which students may access that is inappropriate, offensive or controversial. It is each student’s responsibility not to access, store or copy such materials, and report immediately any accidental access to inappropriate material.

• Teachers and supervisors have the right to monitor the screens of student users at any time.

I agree that:

I will use information technology resources appropriately and legally as detailed below:

• I will take care of information technology resources
  • I will not deliberately eat or drink near any school owned computer equipment
  • I will not damage computer equipment or furniture
  • I will not use any school computers for arcade style games
  • I will not attempt to break copyright (eg by illegally copying software)

• I will be considerate to other users
  • I will give educational purposes priority
  • I will not monopolise equipment
  • I will not deliberately waste computer resources (eg unnecessary printing)
  • I will not intentionally disrupt the smooth running of the network (eg by downloading large files from the Internet during busy times such as class times)
  • I will not scan or display graphics; record or play sounds; or type messages that could cause offence to others.

• I will accept responsibility for privacy and security
  • I will not use discs in the School Network
  • I will not attempt to upload or create computer viruses to be involved with other forms of electronic vandalism
  • I will not reveal my personal address or phone number or those of other students or staff in any electronic communications

I accept that:

Breaching this agreement will result in my being taken off the school network temporarily or permanently depending on the seriousness of the offence and that this may be recorded on my student record. For more serious matters where a criminal offence occurs, further disciplinary and/or legal action may be taken as outlined in the School’s Behaviour Management Policy.
