

WHO CAN USE THIS SERVICE ...

All Robina Primary School students are eligible to attend our Centre, from Prep-Grade 7. Vacation Care is a Community service, therefore, all Primary School students are eligible to attend.

OUR STAFF ...

All staff, including volunteers, holds a current Blue Card, approved by the QLD Government, allowing them to work with children. Our team consists of qualified and experienced educators, all with Senior First Aid. Our staff/child ratios are in keeping with the Child Care Act 2002.

LICENCING ...

Under new Government requirements, our Centre must hold a current Child Care license. We are licensed by the QLD Office for Early Childhood Education and Care (Ph: 1800637711) under the National Law & Regulations, thus, allowing us to provide a quality monitored service to our community.

Due to these requirements, we can take a maximum of 60 children per morning, 100 per afternoon and 90 per Vacation Care. We take enrolments at the end of Term 4 for the following year which may secure places for children, depending on availability. However, we have an ever increasing number of families wanting to utilise our Centre, therefore, we maintain a waiting list which is continually updated. Our Centre caters for children from Prep to Grade 7.

Family participation and feedback are much appreciated.

Our Policy and Procedure Handbook, including our Grievance process, is obtainable at OSHC Office for your perusal.

OUR PHILOSOPHY ...

Robina State School OSHC provides a safe place where children can engage in a range of play and leisure experiences that allow them to feel happy, safe and relaxed, interact with friends, practice social skills, try new activities and learn life skills.

Robina State School OSHC believes that the best interests of the children and their right to learn play and grow in a safe and nurturing environment is the primary consideration in all decision making at the Centre and is visible in the actions, interactions and daily work with the children.

Our Centre is guided by "My Time, Our Place" - Framework for School Age Care in Australia and is committed to providing a quality service with a holistic approach whereby:

The children's physical, emotional, social, cultural and religious needs are met in a safe, caring and supportive environment.

Programs are designed to cater for differences in ages, skills, interests and abilities through a variety of recreational and challenging activities.

Our Centre aims to create a relaxed, home-like atmosphere where children have the choice of a range of activities including art, craft, games, sport and outdoor play.

Children, parents and staff are treated with respect and their individual uniqueness is acknowledged and valued.

Our Centre encourages parental and community participation and welcomes

suggestions and open discussions on all issues relevant to the centre's operation.

Robina OSHC has an "open-door" approach whereby parents are welcome at the Centre and any queries or concerns are treated in confidence.
